How it works...

Call 419-628-2400 for an appointment to drop off your items.

You may drop off one 18-22 gallon storage bin or it's equivalent.

Please label your boxes with your name and telephone number, including area code.

At your appointment time, you will be asked if you would like your no-thank-you's (anything we cannot accept) returned to you or, for your convenience, we will donate your items to charity.

You will receive a telephone call when it is time to approve your items and collect your cash. At that time you may choose to approve over the telephone or in person. If you choose to approve in person you will be expected to arrive within **three business days** of your call.

After three business days your items will automatically become property of JJ Kids & Co. and be placed on the sales floor. You may pick up your cash at your convenience.

The amount we pay depends on style, size, inventory, and season. A handling fee of 5% or \$2.00, whichever is the least amount will be charged per appointment. This amount will be deducted from your total.

Receive ...

- **Receive a higher percentage for your items by choosing in-store credit.**

In store credit may be used at the time you approve your items, or save it for a later date. It never expires!

Depending on Inventory, Seasonal Dates are as follows:

*January to June
for Spring and Summer
July to December
for Fall and Winter*
